Installation Instructions

Method 1

1) Install Pygame and Python (https://www.pygame.org/wiki/GettingStarted)

2) Open the google drive link containing the game installation (https://drive.google.com/drive/folders/1eQ2KpXiNDbvOXUZsG950HodKN9gionW3?usp=sharing)

3) Download all the files

4) Run main.py with python

Method 2

1) Open the link to the game's replit (https://replit.com/@OA-11GP-681374/Video-Game-Project#)

2) Fork the replit or run it directly from the link by pressing the run button
